Attention: Law Enforcement and Fire Personnel

Have you done your estate planning yet?

No? Well ... here is a special offer just for you.

As a Law Enforcement Chaplain I have a special connection to Law Enforcement, Fire and First Responders. Our office has put together a cost-effective estate planning package for law Enforcement and fire personnel.

For simple estates under \$1.0 Million for a single person and \$2.0 Million for a couple with one piece of real property:

COST	DETAILS
\$1,500**	Upon completing a worksheet, Art Pauly will come out and meet with you for an initial meeting* to discuss your individual needs, answer questions and create the details of your plan. Art will then prepare the documents for you and a second appointment will be scheduled with a Mobile Notary to sign the documents.* You will pay the Notary fee directly to the Notary (usually around \$200.00).

On larger more complicated estates, we will quote a fee before any work is started.

For more information on estate planning and to download copies of our worksheet, please go to our website at www.paulylaw.com.

Please call at **(916)207-7526** to schedule an appointment with Art Pauly .

*While we understand that appointments may need to be rescheduled or cancelled, we do value both your time and our time. Therefore, we would request that you provide our office with at least 24 hours notice of a cancellation or a fee may apply.

** Offer expires 12-31-2017.

If you don't have a plan for your estate, the State does!
